

## Belgian construction site electrical distribution box manufacturer

### Overview

Since 1985, Bos Elektro BV has been offering high-quality, KEMA-certified distribution boxes and meter boxes for construction and industry. offers a complete selection of electrical installation materials tailored to residential, commercial and industrial projects. Our range includes switches, sockets, circuit breakers, residual current devices, distribution boards, wall boxes, cavity boxes, trunking and ducting systems. On September 23, the first Nexans Power Lab took place at the Atomium in Brussels: an inspiring day showcasing innovations and sustainable solutions for the future of electrification. With customized solutions, fast delivery and a focus on quality, we provide projects worldwide with reliable power supplies and peripherals such as. Labérine Énergie offers electrical distribution cabinets: from 30 to 60 Amperes in Blue Tariff and from 160 to 400 Amperes in Yellow Tariff. Protected by a thick sheet metal casing, these distribution cabinets are designed for temporary installations and, thanks to double insulation, meet safety. Looking for reliable and versatile enclosures for your electrical systems?

PanelSet offers (formerly Spacial and Thalassa) a complete range of universal enclosures in metal, plastic, and polyester – ideal for both indoor and outdoor applications. Choose from robust floor-standing cabinets.
