

Cable and Paraguayan pricing

Overview

The cost of internet in Paraguay varies depending on the provider and package. A basic DSL package costs about 20 USD per month, while a high-speed fiber optic package can cost up to 60 USD per month. Strong second option with competitive pricing and expanding fiber network. Good alternative if Personal isn't available in your area. Slower and less reliable but budget-friendly option. However, the. Despite these restrictions, there are still ways for Paraguayans to access restricted content through the use of virtual private networks (VPNs) and other tools that help to bypass censorship efforts. Over the period under review, the market hit record highs at \$X in 2023, and then. BusinessCom SCPC satellite circuits guarantee 100% CIR bandwidth rates and multi-megabit Internet backbones, VoIP & videoconferencing transport both with extensive data transfers, database synchronization, CITRIX plus other options.
