

# EXfO Optical Time Domain Reflectometer AX100 Battery

## Overview

The EXFO AXS-100 OTDR is a high-performance optical time-domain reflectometer widely used in fiber optic network testing and maintenance. To ensure uninterrupted field operations, it supports several power options, including proprietary battery packs and external power. The AXS-100 offers powerful handheld units combining OTDR and power meter functionalities, optimized for FTTx PON certification and troubleshooting, as well as for premises network testing. Intellectual Property Protection - Privacy Policy - Sitemap - Terms of Use - Information for EU consumers - Legal Information / Imprint - Transaction Services Agreement for non-EU/UK Consumers - Terms and Conditions for EU/EEA/UK Consumers - User Information Legal Enquiry Guide ©2010-2025. Condition: New replacement battery, 1 year warranty! Category: Medical Equipment Battery Order Processing Time We ship most orders within 1-2 business days after payment is received, excluding weekends and holidays. All battery products must pass a safety test before shipping, which may slightly. Indicator flexible shaft YA1000 punching machine coupling connection wireYA-1000. 1pc New FC-360HK37T4E20H2BXCDXXSXXXAXBX 134F2970 frequency converter. Electromagnetic valve 5281 A 25. This powerful device is equipped with both 1310nm and 1550nm laser sources, making it a versatile tool for a wide range of optical fiber.
