

Mobile Level 3 Live Distribution Box

Overview

The distribution box has standard input and output ports 2. Digital display of current and voltage 4. Each circuit has working indicator light, corresponding to 1p air switch control 6. Size: 500mm wide * 400mm high. Users in over 68 countries worldwide appreciate the ruggedness, dependability, design and lifespan of our power distribution boxes. Their layout is designed for ease of use, with the power outlets at the front and circuit-breakers at the back. The housing's edges protrude by 50 to 80 mm to protect. Lex Products offers a full range of portable power distribution boxes and units, specifically engineered for indoor and outdoor use for the entertainment, industrial and military industries. You can count on our small distributors for a range of uses in plant maintenance, trade or on construction sites, even under maximum load. Company Profile Zhejiang Kripal Electric Co.
