

Network cabinet with hollowed-out back

Overview

Double-hinged wall-mount cabinet with deeper capacity, rear access, and 200 lb load rating for network and telecom installations. Crafted from premium materials with meticulous attention to detail, they feature a cold-rolled, galvanized steel frame and a tempered-glass. Aeon's Signature SB-Series Double Section Swing-Out Wall Mount Cabinets is your turnkey solution for EIA-standard 19-inch rackmount equipment in network closets, offices, classrooms, and other locations with limited floor space. Wall mount rack enclosures create accessible locations for equipment where space is limited or does not exist. Store and secure equipment on the wall inside or outside of the data center or equipment room. These versatile racks feature a hinged design, allowing the frame to swing out for hassle-free maintenance and cable management.
