

Thunderbridge 5 2 bracket

Overview

2 mm, number of positions: 5, length: 23 mm, color: red 24 A (The current values for the jumpers can deviate when used in different modular terminal blocks. The precise values can be found in the accessories data for the respective modular terminal. A dry stout powerful but balanced flavours of roasted barley and chocolate malts. Plenty of robust malt and a good balance of hops make this a very drinkable stout. On a tight schedule but a pint easily disappeared in 1/4 of an hour without even trying.
